

# When you need detailed information on your overseas shipments... **SEABAND ACTs fast.**

## ACT Now, **ACT Fast.**

ACT is the SEABAND Container Tracking system that provides detailed, secure, real-time reports on your cargo from anywhere in the world. Location, speed, bearing, even details such as weather conditions and container doors opening and closing are reported in real-time over secure networks.

## ACT is **Always On.**

Fail-safe communications require fail-safe systems. ACT employs redundant communications systems comprised of satellite, microwave and RF technologies to ensure always-on tracking for reports you can depend on.

## ACT is **Always Ready.**

Compact and light-weight, ACT is ready whenever, wherever you need it. Completely self-contained so it requires no antenna, wiring, solar panel, or external power, and installs simply on dry and reefer containers alike.

*\*Internal battery last for up to one full year on a single charge.*

# Need detailed info on your overseas cargo? Then ACT fast.

Patent Pending.

## INTELLIGENT

Reports position, speed, heading, weather, temperatures, even CO<sub>2</sub> and radiation levels.

## RELIABLE

Employs redundant communications of satellite, microwave and RF technology to ensure always-on, world-wide reporting.

## DURABLE

Resists shock, dust, humidity, pressure, temperature extremes and liquids.

## SIMPLE

Installs/removes easily and in under 3 minutes with no need for tools. Completely self-contained for maintenance-free, worry-free operations.

ACT is built to the highest level of reliability that exceeds U.S. Government Military requirements. Created by SEABAND, a leader in military, communication and tracking devices.
